The question for present consideration is whether the appointment of a Deputy Shroff is necessary for the Bowringpet Taluk, in which the collections on account of Arrack have increased. The same remarks apply to other Taluks which have generally contributed towards increase in the Arrack revenue which details are not available in this office.

Sir,

In forwarding herewith, copy of letter No 2605/1901, dated 22nd/23rd instant, from the Deputy Commissioner, Kolar District, I have the honor to state that under the circumstances therein represented, the appointment of a Deputy Shroff is absolutely required for the Bowringpet Taluk, more particularly to receive the still-head duty from the Separate shop keepers of the Gold Fields, who make payments into the Treasury daily, and very often more than once each day. For the Separate shops at the Bangalore city and

and a Mysore town, such Shroffs have already been appointed on Rs 9 per c. mensem, at the cost of the Shopkeepers who have agreed to pay it. A similar arrangement could have been made

the modifications proposed to the Bunder Rules in this office letter No. 3844/224, dated 7th January 1893, had been published by Government before the sales took place in the Kolar District, which, in that case, would have been held on condition of the Shopkeepers contributing towards the pay of the Shroff. The amount of rental realized by the sale of the "Separate" shops of the fields for the 15 months from 1st April 1893 to 30th June 1894 is Rs 29,145, against Rs 11,540 from 1st April 1892 to 31st March 1893. Under such circumstances I beg to recommend the appointment of a Deputy Shroff at the cost of Government

temporarily

(1) of
+ R. F. 255-92
was submitted to Hon'ble Legn 8-2-93.

Under the rule have the Bangalore & Mysore Rules been agreed to 15/7

There is no such rule now. The Mysore Rules were framed before the Bombay Rules and were done at Bangalore & Mysore

temporarily up to 30th June 1894. The pay may be fixed at Rs 9 as at Bangalore and Mysore. From 1st July 1894 the shops may be sold on condition that the purchasers shall pay for the cost of the shroff.

2. I take this opportunity of requesting that the modifications to the Rules proposed in this office letters Nos. (1) 3418/188, dated 17th/22nd December 1892, and (2) 3844/224, dated 9/16th January 1893, and partly approved in Government Proceedings No. (2) 9838/2745 92, dated 2nd January 1893, may be kindly published, early

No 2605/1701

Sir,

I have the honor to State that the Amildar of Bowringpet Taluk has been repeatedly bringing to notice that his establishment in the Cash department is very limited, and with it he is not able to Cope with the work devolving on him on account of the increased Cash transactions Consequent on the large abkari revenue which is to be Collected and paid into the Treasury.

2. A careful examination of the Treasury transactions for the last 9 months exhibits that the Collections under "arrack" alone amount to about

about Rupees 17000/- per mensem on an average and the work will be much heavier during the ensuing 15 months in proportion to the large amount realized in the Sale of Vend Farms and independant Shops as well as the duty to be Collected on liquor and cannot possibly be managed by one Shroff without causing delay and inconvenience to the Vend Farmers &c.

3. It therefore seems to me necessary to appoint a deputy Shroff on a pay of Rs 12 per month as a temporary measure he being required to furnish a Security in the Sum of Rupees 300.

4 As the independent Shops have fetched a very high amount of revenue it is unfair to expect the Shopkeepers to bear any additional Charge to meet the deputy Shroffs pay.

5. I would therefore request that you will be good enough to obtain Government Sanction for the entertainment of an additional hand as proposed above his pay being debitable to Excise

Department

Ex

Excise Commissioner's Office
Bangalore, 24th/26th July 1893.

From

The Excise Commissioner,
in Mysore.

To

The Chief Secretary to the Dewan
of Mysore.

Sir,

In reply to your docket No. 1362/227, dated 20th/22nd instant, I have the honor to state that the "Separate Shopkeepers" in the towns of Bangalore and Mysore have agreed to contribute towards the pay of the additional Shroffs, and accordingly they have been appointed for their convenience on Rs 9 per mensem, which is paid by them every month.

The additional Shroffs of the Bangalore and Mysore towns attend the local Bonded Depôts from 7 to 11 A.M. and again from 2 to 5 P.M. to receive the Still-head duty from the "Separate Shopkeepers" and after closing each day's transactions

they

they permit the money collected to the respective Taluk Treasuries. They have deposited as Securities Rs 500 each. The Amildars concerned are held responsible for the Shroffs correctly remitting the collections to the Treasuries. The Counted Challans serve as vouchers for such collections.

There being Separate "Shops" in the Bowringpett Taluk, Similar to those in the towns of Bangalore and Ulsoor the necessity for an additional Shroff is felt. The appointment of an additional Shroff in the Bowringpett Taluk will not necessitate a Similar arrangement elsewhere; as no such Shops exist any where else.

3. The Deputy Commissioner, Kolar District, states that the Separate Shops in the Bowringpett Taluk have fetched a very high amount (namely Rs 29,145 for 15 months from 1st April 1893 to 30th June 1894, against Rs 13,140 for 12 months from 1st April 1892 to 31st March 1893), and that a

is therefore unfair to expect the
Separate Shopkeepers to bear the
cost of the additional Sheriff's hay.

4. Under such circumstances,
I have recommended to Govern-
ment the appointment of a temporary
Sheriff on Rs 9 per mensem, at the
cost of Government up to 30th June 1894.
From 1st July 1894 the shops may be
sold on condition that the purchasers
shall pay for the cost of the Sheriff
appointed for their convenience.
